

Truckee Voters Follow Trend In Nov. 7 Canvass

Lake Tahoe, Summit Also
Favor Governor,
Nixon

Four hundred and fifty Truckee voters went to the polls on Tuesday and despite the fact the community is registered predominantly Democratic, they gave incumbent Republican Governor Earl Warren a better than two to one majority over James Roosevelt and gave nearly the same margin to Richard Nixon over Helen Gahagan Douglas in the race for United States Senator.

For attorney general, Truckee gave Democrat Edmund Brown of San Francisco a substantial lead over Edward Shattuck, a Pasadena Republican.

There were not local contests in the district but nevertheless nearly 70 per cent of the registered voters went to the polls.

In the propositions, local voters turned a resounding thumbs down on No. 6, the initiative to legalize gambling by a vote of 278 to 147 and on No. 1, the measure to abolish taxes on personal property, they voted 296 to 83 against.

Throughout the balloting the voters in Truckee, Lake Tahoe and Soda Springs followed the general trend in the state, where Warren won by a near landslide and Mrs. Douglas was defeated by a two to one margin by Nixon.

The balloting by precincts here was as follows:

	Truckee	No. 1	No. 2A	No. 2B
Total Vote	192	126	132	
Warren	113	70	92	
Roosevelt	77	54	39	
Brown	114	69	77	
Shattuck	60	39	42	
Douglas	82	56	49	
Nixon	63	71	90	
	Y	N	Y	N
Prop. 1	38	124	25	79
Prop. 2	73	55	37	63
Prop. 3	96	35	54	35
Prop. 4	118	22	73	16
Prop. 5	40	83	29	56
Prop. 6	69	117	45	71
Prop. 7	75	71	52	46
Prop. 8	35	50	36	60
Prop. 9	74	49	55	35
Prop. 10	51	109	39	55
Prop. 11	85	45	67	23

On Donner Summit, the same general trend was shown when Warren polled 46 to Roosevelt's 18 and Nixon received 40 votes to 21 for Douglas. Brown received 40 and Shattuck 20. On the propositions, Yes on No. 6 had a one vote majority, with the count 32 to 31. No. 1 was defeated 33 to 21 and No. 10 was defeated 22 to 33.

At Lake Tahoe
Tahoe City gave Ken Steddom a better than 10 to 1 majority in a three-way supervisorial race in the Fifth Placer County District. The vote was Steddom 239, Anderson 11 and Atkins 9.

Governor Warren really polled the votes at Tahoe City where 265 turned out. The governor got 206 votes and his opponent James Roosevelt polled 38. Nixon was given 174 votes and Douglas 80 while Shattuck led Brown 131 to 113. In the sheriff's race, Elam got 140 at Tahoe City and Kenison 114.

Tahoe City gave Proposition No. 1 191 no votes and 49 yes and swamped No. 6 under a 172 to 79 no majority. No. 10 carried 129 to 85.

Kings Beach
Warren led Roosevelt 161 to 121 at Kings Beach and Nixon led Douglas 163 to 107. Proposition No. 1 lost 159 to 92 while the gambling measure was defeated 180 to 80. Elam led Kenison for sheriff at Kings Beach by a vote of 140 to 130.

More than 25 men are now employed there as the task of pouring the foundation and erecting the sidewalls is under way. Work is expected to continue throughout the winter so that the building can be complete by early summer.

Court of Honor Held in Theater For Boy Scouts

The first Boy Scout court of honor of the newly organized Truckee-Tahoe District was held Tuesday evening, October 31, in the Donner Theater. Bob Gifford, district vice chairman, presided. Although the ceremony was to include the three troops of the district, Troop 27 of Tahoe City and Troop 31 of Kings Beach were unable to attend. All awards of the evening went to members of Troop 7 of Truckee.

The court of honor was introduced by Ray Ewan, Scout executive of the Tahoe Area Council. Howard Painter, junior assistant Scoutmaster of Troop 7, led the assembly in the Pledge to the Flag. Since advancement in Scout work is granted only if a boy has lived up to the Scout Oath and the Scout Law, the significance of the oath and law was represented by 12 Scouts lighting candles and reading the 12 points of Scout Law. This impressive ceremony was conducted by Del Raby, field executive for the council.

Gifford presided over the court of honor that followed the candle ceremony. He called upon Earl Stice, chairman of the troop committee, to make the awards after the fitness of the Scouts to advance was testified to by Gene Ridsen, assistant Scoutmaster.

The following boys advanced to the rank of Second Class Scout: Aaron Thomas, Donald Meteer, Tommy Dolley, Ernest Towler, Stanley Rasmussen, Bobby Tonini and Alfred McGee. Advancement to First Class rank was made by Marvin Parkhurst. Merit badges were received by Howard Painter, swimming, woodwork and music; Willard Painter, swimming, home repairs and carpentry; Eddie Botel, home repairs.

The highest award of the evening—the Star award—was presented by Ewan to Howard and Willard Painter.

Dr. Hinkle Dies Suddenly After Heart Attack

Private Rites Scheduled
Next Saturday In
Bay City

Dr. George Henry Hinkle, widely known educator and author and life-long resident of Tahoe and Truckee, died suddenly Wednesday morning following a heart attack in a San Francisco hospital.

Dr. Hinkle, who received his early education in local schools, was the husband of the late Bliss McGlashen Hinkle whose untimely death shocked the community two years ago.

Dr. Hinkle, an instructor at San Francisco State College, suffered a heart attack early in the spring of this year and his physician had kept him under strict surveillance as his general health had been poor. He had been kept for a number of days in an oxygen tent and had three special nurses to attend him.

Funeral services will be held in San Francisco on Saturday and will be strictly private. The body is to be cremated. His expressed wishes designated he wanted no flowers sent but relatives feel certain he would have appreciated having anyone wishing to memorialize him to donate toward the American Heart Foundation.

Dr. Hinkle is survived by two daughters, Mrs. Sue Enfield of southern California and Mrs. Marilyn Meyers of Tacoma, Wash.; a son, Richard, of Oakland; a brother, Kenneth, of San Francisco; six grandchildren and his mother, Mrs. Emma Gargan of Auburn.

BODY OF THIRD VICTIM OF LAKE TRAGEDY MISSING

Search for the body of Mrs. Thornton W. Elliott of Tahoe Valley, who with her husband and Miss Virginia Morrell of Chicago, lost her life in a drowning accident on Lake Tahoe October 31, has been virtually abandoned.

The bodies of Miss Morrell and Elliott were found soon after the boat in which the three were riding capsized off Camp Richardson.

Miss Morrell was an official for the Bell & Howell Company of Chicago and a life-long friend of Mrs. Elliott whom she was visiting. The Elliotts left their four-month-old infant with a neighbor while they took Miss Morrell for the pleasure trip. When they failed to return after several hours, a search was started and subsequently the capsized boat and the bodies of Elliott and Miss Morrell were recovered.

The Elliotts were well known in Berkeley where they leave a number of relatives. Private funeral services were held for Elliott Monday.

Plane Crash Stories Are Discounted Here

Two reports that airplanes were down in this district have been discounted following investigation by officers in the area.

A persistent rumor that a C-47 army plane with four people aboard, missing for two weeks, had been discovered on Tinkers Point was found to be without basis.

Another story related by two or three motorists that they saw a small plane crash just south of Highway 40 near Cisco Friday afternoon was also found without foundation after local state highway patrolmen spent the afternoon in a fruitless search.

Hosts at Dinner—
Mr. and Mrs. T. T. Buell were hosts to friends at a dinner party on Saturday evening.

Sun Beams

by Walter M. Barrett

Extremely high tax bills distributed to local residents last week caused an ominous roar and pointed out again the urgent need for a change in the type of administration of government here. Either a consolidation of existing boards or incorporation of the entire area loom as the best solution to a difficult and certainly expensive problem. A tax rate of more than \$7 per \$100 assessed valuation is not going to result in increasing the values of local property and something should be done to bring a more equitable charge if progress is to continue. The county rate is only \$2.30, which is well within the average and reflects a raise only in the social welfare department. None of the tax money collected here is used for streets or highways, either for building or maintenance. We have no parks or police department aside from those paid for by county tax. There is no library expense and no public agencies. Yet the rate charged this year may only be a forecast of things to come unless something is done to bring the various boards under a central system, with a few instead of many responsible to the taxpayer.

The 1950 general election here, as elsewhere, reflected not so much a trend toward a Republican administration as it did toward a demand for a more representative form of government. Bureaucratic politics, extravagant and often unreasonable, with a too-liberal expansion in one direction and a stifling control in another, are under fire from the voters. Truckee, for instance, is registered nearly 3 to 1 Democratic and yet a Republican governor was given more than a 2 to 1 vote here. This was not because Governor Warren is a Republican but because he stands for the things the independent American wants and will get if free elections continue to guide our destinies.

Do all your Christmas shopping in Truckee this year.

Elam Appears Winner In Race for Sheriff

AUBURN—With the Placer County election returns approximately 90 per cent complete, Police Chief William Elam of Roseville appears to have ousted Sheriff E. J. Kenison from office. Bold Burglar Enters Home, Scares Woman

Several Places Entered
By Night Prowler
In Area

Constable N. F. Dolley and Deputy Sheriff Fosten Wilson last night were investigating what appeared to be an attempted burglary of the Lorin W. Ferdinand home here.

Mrs. Ferdinand was alone in the house and had retired with the lights out and her husband was attending a meeting of the 20-30 Club when she heard some one in the house.

She called out, thinking it was her husband but when no answer was forthcoming, she became frightened and called again. The intruder left via an open window. Officers found tracks but could not locate the suspect despite a long search.

Two more burglaries during the past week were reported by Constable N. F. Dolley.

The Bungalow Coffee Shop on West Main Street was entered and approximately \$50 worth of souvenirs and Mexican novelty pieces taken, according to John Hardwick, the manager.

The place was broken into some time Sunday night, the same night Harry Barnes' Gateway Garage was entered and ransacked. In the latter place, entrance was gained by breaking a large plate glass window in the front office door. Only a few pennies from the cash register were reported missing. Two rear windows were also broken.

Previously robberies of the Stone Garage and the homes of Orlan Waters and Paul Rauch were reported during the past few weeks.

COUPLE INJURED IN CAR CRASH ON LOCAL ROAD

Lawson H. Poindexter, 38, Sacramento, suffered a compound fracture of his left leg and his wife, Violet, driver of the car, had lesser injuries when the vehicle in which they were traveling east left the road and crashed into a tree along Donner Lake.

Mrs. Poindexter was cited by Patrolmen Charleston White and John Pedri for failure to hold the vehicle under control on a mountain highway. This is one of the few times this section of the vehicle code has been invoked.

The injured were given treatment by Dr. L. D. Nelson and removed by Truckee ambulance to a Reno hospital.

In a second mishap this week, Staff Sergeant Oakland D. Whelan of the Fourth Rescue Squadron of Hamilton Field escaped when his car overturned on the curve on West Main Street Sunday morning at 1 o'clock. State Patrolman William Gautsche cited the sergeant for driving without due caution.

Taxpayers View Increased Rate With Indignation

Morris Explains Expense
Necessary to Finance
Equipment

Multiplying the current assessed valuation of property in the Truckee Sanitary District by four in order to raise the tax beyond the legal 40 cent rate for the district increased local tax bills by a huge percentage this year.

This increase added to a nominal raise by the county to care for the new setup in the old age and welfare departments brought the tax to an equivalent of \$7.18 per \$100 assessed valuation in the sanitary district.

The receipt of the bills caused considerable discussion among local taxpayers who indignantly expressed themselves as displeased with the program and were seeking means for relief in the future.

Fred Morris, member and secretary of the sanitary district board of directors, explained that no protests had been made when the board decided upon the assessment plan. He said the increase would result in something between \$6,000 and \$10,000 being raised.

Of this amount, he said, approximately 30 per cent will be used for ordinary maintenance and 70 per cent will go toward sewage plant treatment, a demand made by the state board of health. He added that the last bond of \$700 outstanding against the district also will be paid off.

Relative to the new Allis-Chalmers AC5 loader and bulldozer which the district purchased some time ago and which has been the subject of some controversy, Morris said that the monthly lease payments have been reduced to \$132 since the district sold the garbage collection franchise for \$108.50 a month and allow this income to be applied on the equipment payments.

The second piece of equipment, leased from Nevada County at a rate of \$500 per year for a period of five years, must also be financed from the taxes of the district.

This equipment was secured primarily for the purpose of repairing and maintaining the sewage disposal plant.

SWANEE'S TAHOE LETTER

Tahoe City, Nov. 5
Dear Tahoeites:
Today is Sunday and a more beautiful day I have never seen. The sun has shone all day and

the atmosphere was as warm and pleasant as a day in June. Had my breakfast coffee out on the porch and left all the doors open.

Had a call yesterday from Vi Pomin telling me that their little 8-year-old son Randy has been in Sacramento, had his eye operation and is home again recuperating. The operation itself didn't

seem to bother him but the ether made him pretty sick. He's getting on fine but must return to the doctor regularly for further treatment for some time.

Tahoe Lake School is missing a number of students over the past few weeks, home with various common childhood ailments. The faculty approves keeping a child who shows symptoms of illness home until he is fully recovered. Every precaution is being taken to prevent further sickness.

Louie Rosenblatt tells me he has two six weeks old kittens, Angoras, white and grey, to give away to the first who ask for them, so here's a chance to get that mouser.

Mrs. Jeannette Mitchell of Sunnyside returned Tuesday morning following a trip to San Diego where she visited her brother-in-law, George Mitchell, at the San Diego naval training station, who leaves soon for sea duty. She was accompanied by his mother, Mrs. Leonard Mitchell, and his fiancée, Miss Doris Oakland, both of Sutter.

The American Red Cross is making a survey of housing facilities for large numbers of people. In major disasters it is necessary for the Red Cross to provide shelter for persons whose homes are threatened, damaged or destroyed. Information being sought includes questions pertaining to location, usability in all seasons, owner, location of key, kitchen, water, heat and other facilities and how many persons can be accommodated. The completed survey must be in the Auburn chapter office by November 15. Anyone wishing to volunteer their services in the communities that embrace the survey from Donner Summit to the Placer County part of Lake Tahoe should call Marie Henry at Tahoe City 70 or at the Tahoe City Garage for survey sheets. Your cooperation will be greatly appreciated.

Phil Geier of Tahoe Park left Saturday night for Walla Walla, Wash., to attend the funeral of his father, Philip Geier, 90, who passed away suddenly Saturday morning. Other survivors include sons Jake, Lincoln, Neb., and Al of Tekoa, Wash., and daughter, Mrs. Amelia Sessenden, Locke, Wash.

Miss Elsie Young, employed by Tahoe Realty, is reported in the Washoe Hospital at Reno recuperating from a serious operation performed last week.

Mr. and Mrs. Robert Watson motored up from Shingle, where they winter annually, to cast their votes at Tahoe City.

by T. BURROUGHS

Our little globetrotter, Mrs. Anna Blau, left for St. Louis, Mo., Wednesday where she will remain throughout the winter among friends and relatives. A good part of her time will be spent with her granddaughter, Betty.

Who can think of a nicer place to celebrate one's 20th wedding anniversary than at Lake Tahoe? Not the Lloyd Halls of Ontario, Calif., who, with their daughter, Floyetta, did that on November 3. After spending some time vacationing with friends and kin in different parts of the state, they decided to see Tahoe as a special 20th anniversary treat, stopping with The Burroughs.

Mr. and Mrs. M. J. Leipertz of The Beachcombers, Kings Beach, spent a few days last week in San Francisco on business before settling down to making use of the Kings Beach branch of the Placer County free library, now housed at The Burroughs. The Beachcombers will be closed during the winter and the Leipertz will be employed at Sky Tavern when winter really sets in.

Steve Port Jr. is home for a few days before going to Treasure Island for induction into the U. S. Navy. Boot training will be in San Diego. Steve has been employed recently at the Shaska West Ranch out of Reno.

Barbara Marthaller is mighty happy to be home and able to get around a bit after such a

Al Henry Jr. and Clarence Beavers returned on Monday from an eight day fishing trip to the upper Sacramento River country. They both caught limits of salmon near Redding, their largest weighing 30 pounds.

A large crowd attended the Halloween party given for the children of Tahoe Lake School and their parents October 31 in the school house. Ten prizes were awarded for the best costumes worn by the youngsters and dancing, games and refreshments aided in providing a most enjoyable evening. Mrs. Margie Fellows, acting president of the PTA, was in charge. Last Thursday, a new president, Mrs. June Grinstead of Lake Forest, was chosen by the local PTA and Mrs. Earline Brumbaugh of Tahoe City was named vice president.

A prominent resident of Santa Barbara, Nash Boulden, retired west coast fire supervisor, was the weekend guest of the Charles Warners of Tahoe City. Boulden developed the simplified code, universally used by the forest service, for signalling with heliograph.

Ring off for the week as lovely weather continues to bless our region. Good luck, good cheer and the best of everything to you all, as ever, Swanee.

long stay in a Reno hospital following that auto-motorcycle collision on Brockway Hill last summer.

Another place all shuttered for the winter is The Pines, Ruth and Bert Cochran, owners, expect to be out of the hills before snow flies.

Walter Haggood had to stay home from school for a couple of days last week because of a very sore throat. Little Jacquie Abbott also had a relapse with that strep throat condition during the week.

The Ludlows are building an office on their recently acquired Jones' Cottages property.

Saw Clarice Astle Tuesday at the polls. Everyone in Kings Beach knows of the wonderful lick Ivan Astle and Rube Welch had on that two weeks Wyoming hunting trip. Each brought back a huge hulk of an elk and a deer (Continued on Page 4)

Electricity Does All These Jobs Better

Electricity perfumes home tasks at the flick of a switch — no wood, coal or oil to carry in; no ashes to carry out; no wicks to trim; no extra cleaning; no fussing with matches; no expense of pilot lights; no unnecessary heating-up of the kitchen.

Electricity keeps cooking utensils and kitchen cleaner; saves housekeeping energy. Electricity eliminates dangerous flame around the home; saves labor and provides quiet and efficient power around the home, office and store, and Electricity is economical.

Mr. and Mrs. P. R. Murray are leaving this week for their home in Merced. In their honor, there was a little going away party with pot luck dinner last Tuesday evening at The Burroughs with Mrs. A. Lake Tahoe Ski Club Committees Busy

TAHOE CITY—The Lake Tahoe Ski Club met in Tahoe Community Hall on Friday night and President Jake Stuart presided. Terry Tollefson was appointed chairman of associate memberships; Floyd Carnell was named to investigate the purchase of

a 16 mm. camera for the club, assisted by R. L. Landfear; a committee of Kay Starratt, Bob Stark, Rusty Frodenberg and Terry Tollefson will look into the possibility of providing uniform sweaters and caps for members in competition.

Einar Wethal of Norway, just one year in the U.S. from his native land and former jumper and racer of note, has joined the

club and was introduced by his friend, Kjell Rustad. Wethal had to quit skiing some time ago because of a knee injury but hopes to get back into racing from as soon as snow covers Tahoe's hills. Mrs. Marion Stuart announced that a new ruling by the National Ski Federation permits school children to compete in both club and scholastic tournaments without penalty.

Mr. and Mrs. Rustad were refreshments hosts and Miss Starratt and Mrs. Betty Starratt will serve on November 11. Meetings will be held every Friday night except November 24 and December 22.

Robbery Suspects Are Nabbed in East

TAHOE CITY—The F. B. I. called Constable Harry Johanson of Tahoe City Monday that a couple known here as Mr. and Mrs. Billie Mason, wanted on charges of theft and forgery here, had been picked up in Dedham, Mass., and are being held on \$10,000 bail each. When arrested, they were identified as Mr. and Mrs. Miller Stinson. They have been charged, according to Johanson, with armed robbery and auto theft in Dedham. They disappeared from Tahoe City on October 2.

The Stinsons left the area during the absence of Mr. and Mrs. Denis Sach, having been employed during the summer by Sach. About the same time paint brushes valued at \$50 were stolen along with a payroll check-book of Sach's. Several merchants in Tahoe City, Truckee and Reno were victimized by the stolen and forged checks, each in the amount of \$107. The FBI entered the case when the Reno check came to light, indicating the culprits had gone into another state.

Johanson also reported an outboard motor and a wood saw motor, stolen from Tahoe residents over two weeks ago, were recovered with the arrest of Donald Shoat in Lincoln a few days ago.

To Fort Bragg—

Mr. and Mrs. G. B. Huston of Tahoe City will return to Fort Bragg for the winter months.

To Oakland—

Mr. and Mrs. William DelCarlos, who have closed the Swedish Farm House at Tahoe City after a successful season, have gone to Oakland for the winter.

Fraziers Return From Midwest Tour

TAHOE CITY—Mr. and Mrs. Ray Frazier of Lake Forest have returned from a five weeks tour of midwest states. They made the trip to attend the family reunions of his kinfolds at Griswold, Iowa. Frazier's brothers, Roy of Griswold, Elmer of Dwight, Kansas; Fred of Omaha, Neb.; and James of Maywood, Ill., and their families met for the first time in 43 years at Roy's home. On the following day, a second reunion was held at the Griswold Community Center for members of his mother's family, the Reipes. More than 60 cousins and one remaining uncle enjoyed the gala dinner and social hour.

Weather Report Issued For Past Week

TAHOE CITY—The level of Lake Tahoe Monday morning was 6225.56 with 50 CSF of water leaving the outlet here. Precipitation of the storm on the 29th measured 1.35 inches; .04 on the 31st and .02 on November 1. High and low thermometer readings for the past week were Oct. 30th, 40, 32; 31st, 43, 24; Nov. 1, 54, 29; 2nd, 55, 31; 3rd, 54, 35; 4th, 55, 31; 5th, 53, 30, and 29 was the low for the morning of the 6th.

Schlueters Leave Lake For Sunnier Clime

TAHOE CITY—The Theodore Schlueters of Tahoe Park have closed their cottages and home leaving Tahoe to winter in a sunnier clime. They departed the end of last week to visit relatives in Oakland, after which they plan a leisurely tour.

Schlueter reported the wedding

of two Tahoe Park summer residents in Tulare on October 21. They are Mr. and Mrs. Milton Levy Jr. of San Francisco. The bride is the former Miss Ellen Premby, daughter of Mr. and Mrs. Claude Premby of Tulare.

Birthday Party—

D. A. McDonald of Tahoe City was the guest of honor last week at a birthday party given by Mr. and Mrs. Ralph Walker of Tahoe City and San Rafael in their bay district home.

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Only Buick has Dynaflo—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 head power in SUPER models.) • NEW-PATTERN engine in SUPER models. • MULTI-GUARD fore-and-aft styling, with "double bubble" tail-taper-through fenders, "double bubble" close-up lights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

It has Dynaflo Drive*—which ushered in a whole new concept of effortless travel.

It has a brilliant styling which sets it apart from every other car on the road.

And it has prices which say "buy me" to any motorist who's looking for maximum money's worth.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?

Tarzan

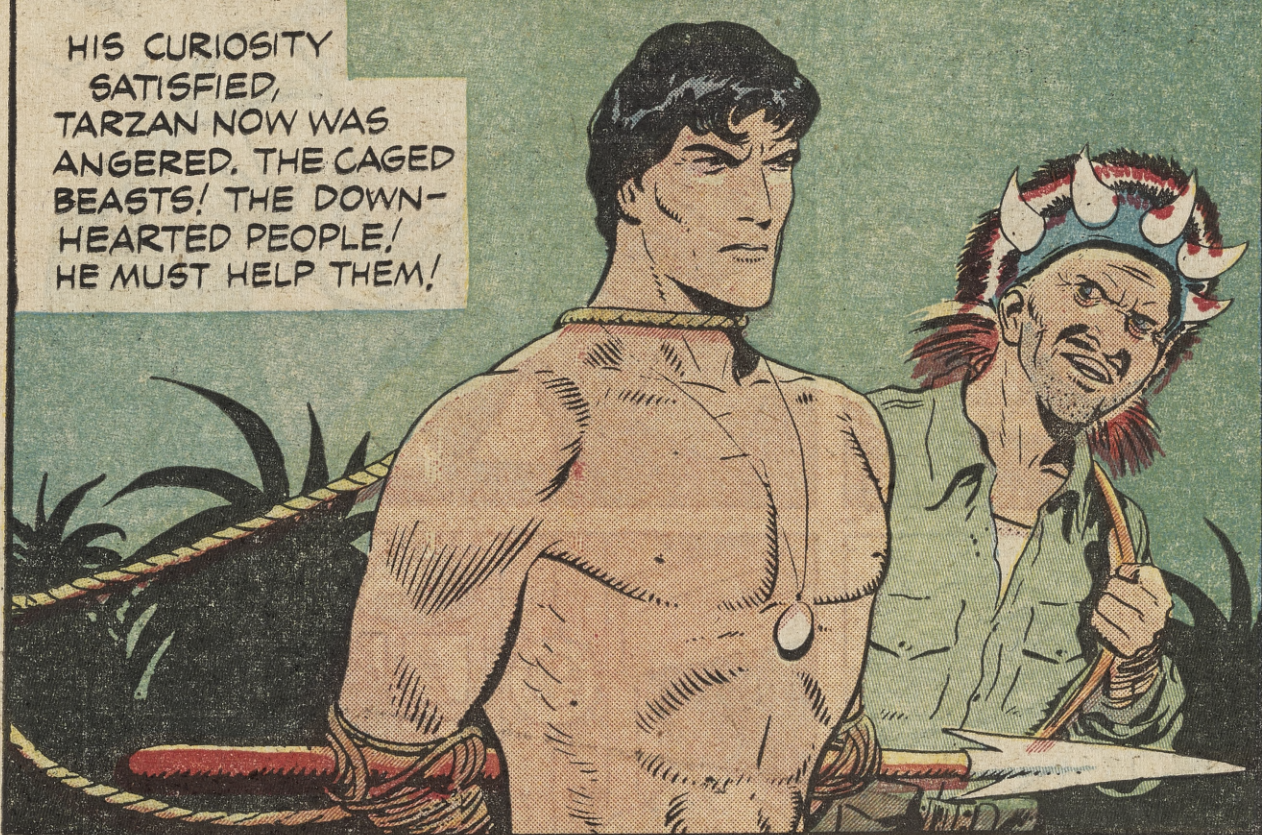

by EDGAR RICE BURROUGHS

BLAKE BRAGGED HOW HE WOULD CAPITALIZE ON THE PECULIARITY OF THE YELLOW MEN. "AND NOW," HE TOLD TARZAN, "I WILL SHOW YOU THE CAUSE OF THEIR COLOR!"

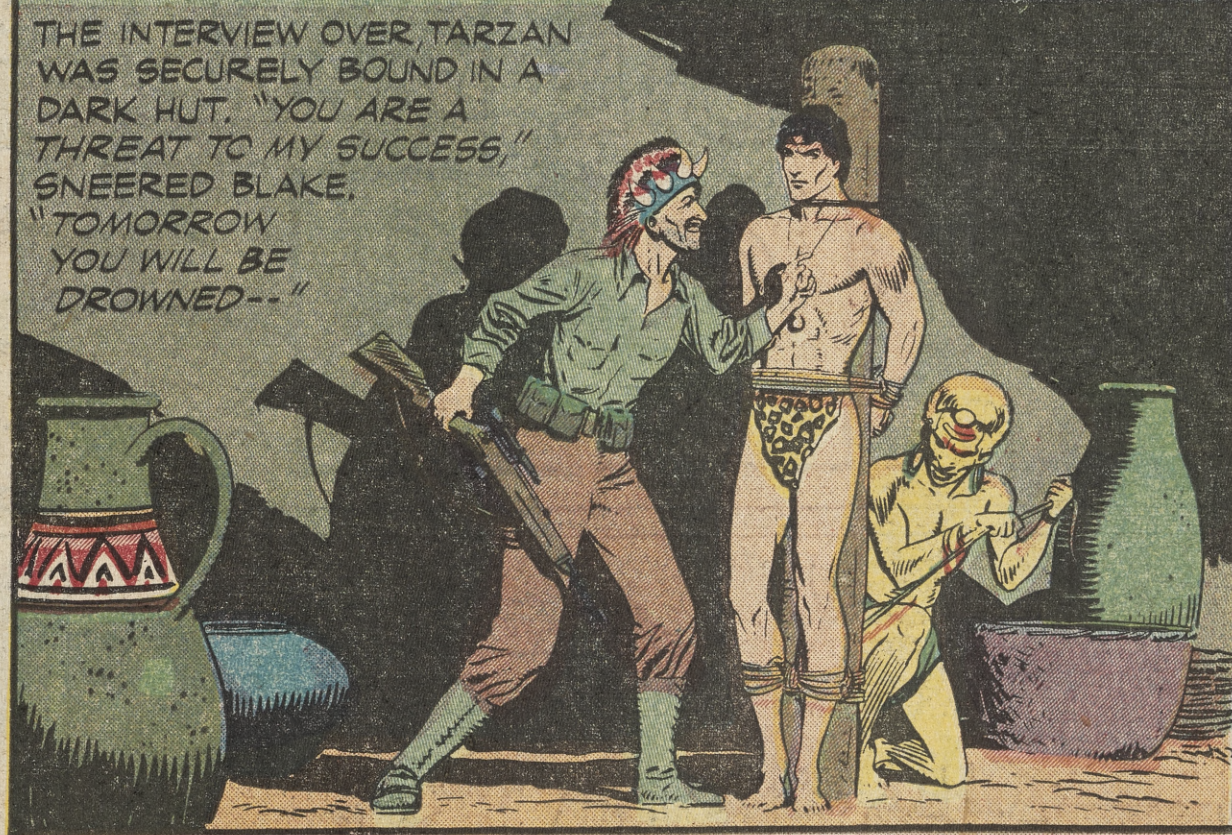

SUDDENLY, THEY CAME TO A SPECTACULAR SIGHT; THE BUBBLING, CHURNING SURFACE OF A POWERFUL ARTESIAN WELL! "THIS IS THEIR MAIN WATER SUPPLY," EXPLAINED BLAKE. "UNKNOWN TO THEM IS A CHEMICAL WHICH TURNS ALL THAT DRINK YELLOW!"

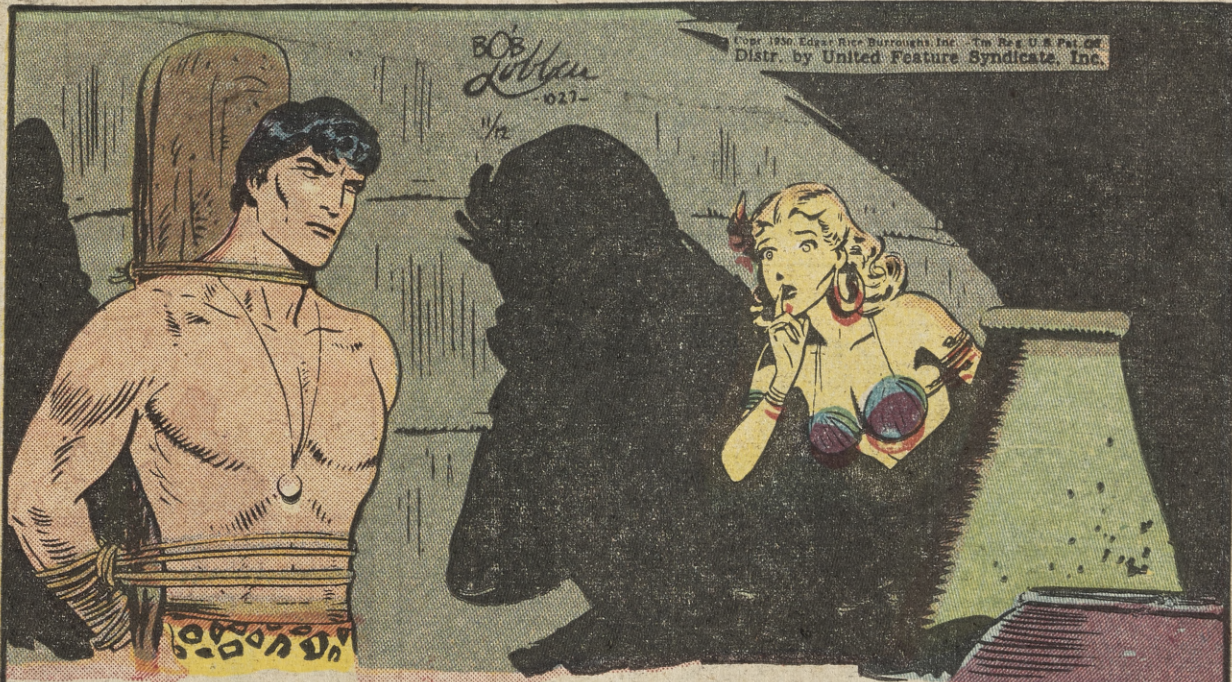

HIS CURIOSITY SATISFIED, TARZAN NOW WAS ANGERED. THE CAGED BEASTS! THE DOWN-HEARTED PEOPLE! HE MUST HELP THEM!

THE INTERVIEW OVER, TARZAN WAS SECURELY BOUND IN A DARK HUT. "YOU ARE A THREAT TO MY SUCCESS," SNEERED BLAKE. "TOMORROW YOU WILL BE DROWNED--"

"-- IN THE ARTESIAN WELL! I CAN'T WAIT TO SEE YOUR WORTHLESS HIDE TURN A BRILLIANT YELLOW!"

AFTER BLAKE'S DEPARTURE, TARZAN CONTEMPLATED HIS FATE. SUDDENLY, A SHADOWY FIGURE EMERGED FROM A CORNER; THE GIRL HE SAVED FROM SHEETA -- LUSHA, PRINCESS OF AMBERA!
